

CelebrityFootage

Profile of the company

CelebrityFootage is a stock footage library specializing in celebrity b-roll generated in the Los Angeles area from 1987 to present. We videotape the arrivals at red carpet events including premieres, award shows, and charity benefits. With our unique position and proximity to the stars we shoot glamorous b-roll of celebrities as they pose for still pictures. Additionally, producers acquire sound bites with celebrities, which provides an excellent compliment to any celebrity driven story.

CelebrityFootage utilizes the best in **High Definition** technology with Sony HDCAM 1080i video cameras. Many production companies and broadcasters worldwide rely on the quality produced by CelebrityFootage. CelebrityFootage guarantees immediate turnaround on all orders, clean Betacam SP master screeners for convenience, and unique camera angles for glamorous footage of celebrities.

Event List

Academy Awards, Golden Globes, Emmy Awards, Peoples Choice Awards, Grammy Awards, SAG Awards, Carousel of Hope, Billboard Awards, MTV Movie Awards, Spirit Awards, Teen Choice Awards.
